Order Ahead

We do our best to predict what needs to be baked fresh daily, but needs change with the weather. We suggest placing an order in advance to be sure to get exactly what you want. This is especially important for popular items, purchasing large orders, and around holidays.

Place an advance order over the phone, or in person at any one of our bakery stores.

Please place all bakery orders by 12 pm the day before it needs to be picked up. Not available on Sundays & Mondays.

Seasonal Features

Our bakery changes and complements the seasons. We combine seasonal fruits and other ingredients to craft fresh seasonal baked goods for all your special occasions. Pre-ordering our seasonal items around holidays is recommended as they sell out fast!
